The Weather.

Washington, D. C., Sept. 11.—For
Kentucky, Tuesday, showers with
rising temperature.

Editor Heber L. Matthews, of the
Hartford Herald, is critically ill of
typhoid flux.

Aaron Kohn has returned from
Europe and has announced that he
will support the Democratic ticket
in Louisville.

The Tennessee State Democratic
Convention has ordered a State
primary May 12, 1906, to settle the
senatorial contest between E. W.
Carmack and Ex-Gov. Robt. L.
Taylor.

A dispatch from Manchuria, says
Field Marshal Oyama has sent a letter
to Gen. Linvitch congratulating
him on the conclusion of peace and
asking him to appoint Russian plenipotentiaries to arrange an armistice.

Baron Komura, the chief envoy of
the Japanese Emperor, is ill in New
York and the Japanese commissioners
have canceled or postponed all social
engagements in consequence.

Harry Somerville, superintendent
of Fairview Cemetery, Bowling
Green, Ky., has resigned because he
could not get any one to keep house
for him, being an unmarried man.
Perhaps if he had let his trouble be
known during leap year, about nine
months ago, something might have
been done to enable him to hold his
job.

The county Democratic campaign
was formally opened at Richland in
Hopkins county, Saturday, to a
splendid crowd of enthusiastic Dem-
ocrats. Speeches were made by
Everett Jennings, Ruby Laffoon, J.
W. Wilson and Frank Rives, of Hop-
kinsville.

Paducah's famous cow law case is
to be appealed. City Judge Sanders
decided the cow ordinance to be
unconstitutional, upon the broad
ground that the city had no right to
pass a law prohibiting cattle from
running on the streets.

John D. Rockefeller has attained
newspaper prominence in four dif-
ferent ways within the last week—
by wearing a wig, by riding a bicy-
cle, by predicting hard times two
years hence and by being elected an
honorary member of the American
Press Humorists Association at
Cleveland.

Liver and Kidneys

It is highly important that these organs
should properly perform their functions.
When they don't, what lameness of the
side and back, what yellowness of the skin,
what constipation, bad taste in the mouth,
sick headache, pimples and blotches, and
loss of courage, tell the story.

The great alternative and tonic

Hood's Sarsaparilla

Gives these organs vigor and tone for the
proper performance of their functions, and
cures all their ordinary ailments. Take it.

Prison Commissioners Green and
Fennell, who are not now in
"cahoot" with the rest of the state
administration, have begun the re-
moval of Beckham and Paynter
Democrats from places as prison
guards and it is intimated that all
appointees with administration ten-
dencies will be fired to make room
for partisans of the new machine in
process of formation. To empha-
size the defiance of their whilom
friends, the two commissioners in
their first batch of victims selected
a guard from Gov. Beckham's own
county and a brother-in-law of Gen.
Percy Haly as two of the four to
feel the fall of their guillotine.
Under law, guards may be removed
any time and commissioners them-
selves may be removed by the
Legislature, with or without cause.
The term of Commissioner Fennell
expires next winter and Eli H.
Brown is a candidate for his place.
Mr. Green's term does not expire
for two years. The contest for
control is now on between the ad-
ministration and anti-administration
forces, with the party organiza-
tion in nearly every county in accord
with the administration. It re-
quires no prophet to tell how it will
turn out.

Lest Their Little Daughter.

Mr. and Mrs. W. H. Draper have the
sympathy of a host of friends in the
loss of their little eleven-months-old
daughter, Caroline Jane, which oc-
curred yesterday morning. The child
had been ill for several months and
death was due to stomach trouble.
The interment will take place in
Hopewell cemetery this morning at
10:30 o'clock. Services will be con-
ducted at the grave.

John B. Ferguson Once More.

Prof. John B. Ferguson has again
corrected the report given to the
Leaf-Chronicle by his neighbors, who
have been praying for him, to the
effect that he had joined the Farm-
ers' Association. This he has done
by reprinting his platform, so pleas-
ing to the trust, in the Twice-a-Week
Star. Mr. Ferguson told the writer
that "he was on the mourner's
bench and coming." Now we want
to state that he is off the mourner's
bench, having fallen off backward
and his last state is worse than the
first, and we can't say a word to
help him out of his last condition.
Just let him alone. He is like Col-
lins' ram—can't be persuaded or
coaxed to flock with the other sheep;
just will stay off with the other
goats and butt at everything that
comes in his way. If the Association
should go over to his plans, then he
would butt out and find some other
way. Of course the trust people
and their allies are delighted with
his plan of salvation, which they
have knocked out so often, and
therefore urged him to have it re-
printed that they might read it again
and shout once more. His way of
fighting the trust is to do just as the
trust wants farmers to act. He can't
act with his brother farmers so long
as he radically differs with their
methods of selling, etc., but he sym-
pathizes with the aim of the associa-
tion to get better prices. This sym-
pathy has benefitted largely. It
helped him to sell his crop this year
for \$8 round—he could have gotten
ten by demanding it; and yet he sold
last year for 6 cents, which he counted
above the market.

Now, is it not strange that this
gentleman can't find some way of
flocking with his brethren, helping
those who help him, rather than
flocking with their oppressors, try-
ing to play Samson by pulling down
the shelter that protects him and
them.

The article in question is not at all
pleasing to the boys in the furrows,
who have pulled suckers and killed
worms all summer to help Mr. Fer-
guson get fair prices for his tobacco.

We don't write this in the hope of
converting Friend John, but there
are others who might be led to fol-
low his bad example—of butting.—
Leaf Chronicle.

AMUSEMENTS.

Opera House Opens With the Herald Square Opera Co.

The Herald Square Opera Com-
pany will open a two nights' and
matinee engagement at Holland's
Opera House this evening, present-
ing "Said Pasha." "The Mascot"
will be given at the matinee per-
formance Wednesday afternoon and
Wednesday night the bill will be
"Fra Diavolo." Good music, hand-
some costumes, graceful dancers and
pretty singers are among the fea-
tures of the company. The troupe
is made up of well known actors and
actresses, among them being Eddie
Flavelle, Martin Pache, Phin Nares,
Wilbur Cox, Elsie Gilbert, Kathryn
Ryan, Leona Watson and Jessie
Highlands. Seats are now on sale
at the Anderson-Fowler Drug Co's
store. The advance sale is large and
the prospects are very flattering for
a good house at each performing.

"Hooligan's Circus" Coming.

The best comedy show of genuine
humor will make its appearance
Saturday night, Sept. 16, and that
is the big hit called "Hooligan's
Troubles." A splendid company of
comedians will furnish all the laugh-
ter, music, dancing, singing and
up-to-date specialties. There are
numerous funny situations and sur-
prises—the scarecrow and tricky
donkey, which keeps an audience in
constant roars of laughter from
start to finish. The company is said
to be fine and playing to crowded
houses. If you want to laugh, scream
and enjoy yourself for a few hours,
just go and see "Hooligan's Trou-
bles" and it will make you happy for
days after. It's fun for the boys
and laughter for the girls. Bring
the children, fetch grandma and
grandpa. Let the whole family
come. If you have troubles on your
mind just go and see "Hooligan's
Troubles" and you'll feel like a two-
year-old. Better get seats early, or
you will have to go way back and
stand up on the night of the show.
Watch out for Hooligan. He steals
everything in sight. Saturday, Sep-
tember 16.

Help a Child to Find a Home.

The Kentucky Children's Home
Society has grown to be one of the
greatest child saving agencies in
America. The success of the work
is due to the good people of our
State who have opened their hearts
and homes to the homeless, destitute
children under our care. Sixty or
seventy bright, sweet children are
sent to us each month and it is ne-
cessary in order to provide for other
neglected little ones to find good
homes for the children now under
our care.

Have you a child in your home?
If you have, do you not think you
could take another little one to raise
and rear into good citizenship? Will
you not help us by giving a home or
finding a home for a child of any
age from infancy to girls and boys
of twelve years of age?

The Master said: "Inasmuch as
ye have done it to one of the least of
these, ye have done it unto me."

If you are interested in the work,
write for particulars to George L.
Sehon, State Supt., Room 515 Maso-
nic Building, Louisville, Ky.

FIFTY CENTS

IN some conditions the
gain from the use
of Scott's Emulsion is
very rapid. For this
reason we put up a
fifty-cent size, which is
enough for an ordinary
cough or cold or useful
as a trial for babies
and children. In other
conditions the gain is
slower—health cannot
be built up in a day.
In such cases Scott's
Emulsion must be taken
as nourishment; a food
rather than a medicine.
It's a food for tired and
weak digestions.

"Point Comfort Kennels."

Situated just one and one quarter
miles from our beautiful and grow-
ing little city of Hopkinsville, Ky.,
is Mr. H. P. Ware's kennel of Eng-
lish and Irish Setter dogs. These
kennels are owned and personally
conducted by Mr. Ware, and most
appropriately named, as it is surely
one of nature's points of healthful
comfort. Located on one of the
highest, driest, and most healthy
points, carpeted by blue grass only,
famous in the good old state of Ken-
tucky, shaded by majestic oaks and
watered by nature's clearest and
purest waters.

A visit to these kennels and you
will be well repaid, as you will see
the comforts that man's best friend
(the dog) should be given. Mr.
Ware's yards and individual sleeping
compartments for his dogs and
cleanliness and comforts for each go
far to show his respect and kindly
feeling for the noble companion and
servant.

At the head of these kennels are
such individuals as "Bessie B," F.
D. S. B. 6087, Mattie F. D. S. B.
2010; Daffie F. D. S. B. 7432; Nancy
F. D. S. B.; Lady Penny F. D. S. B.
8824; Mae Killane F. D. S. B. 7555;
Annie Glean F. D. S. B.; Rebel
Kentucky Cardinal and a yard full of
English and Irish Setter puppies,
sired by such noted field trial and
Burch winners as Oakley Hill, Count
Whitstone, St. Cloud's Blarney, &c.

Mr. Ware's dogs are kept confined
only at night, during the hot days
having freedom to rest and sleep
(when not being worked) on the
grass carpeted lawn of six acres, be-
ing disturbed only by a word of car-
ress or a hand pat of affection or by
the whistle of that bird of its charms
—"Bob White."

It will no doubt be of interest to
the many sportsmen of our city who
may be tied down by the cares of
business to know that Mr. Ware re-
ports to us that in all directions
while on his daily work-outs that he
finds many birds, full coveys and all
but fully grown.

We learn that Mr. Ware has re-
cently sold and shipped (at fancy
prices, which are due to the breed-
ing of his dogs) to the following
states: Alabama, Georgia, Texas,
Mississippi, Florida, Wisconsin, New
York, Connecticut, Kentucky, Cali-
fornia and New Mexico, and has
many other orders which he cannot
fill at the present time.

The Renewal a Strain.

Vacation is over. Again the school
bell rings at morning and at noon,
again with tens of thousands the
hardest kind of work has begun,
the renewal of which is a mental
and physical strain to all except the
most rugged. The little girl that a
few days ago had roses in her cheeks,
the little boy whose lips were then so
red you would have insisted that they
had been "kissed by strawberries,"
have already lost something of the
appearance of health. Now is a time
when many children should be given
a tonic, which may avert much serious
trouble, and we know of no other so
highly to be recommended as Hood's
Sarsaparilla, which strengthens the
nerves, perfects digestion and assim-
ilation, and aids mental development
by building up the whole system.

Coal Miners On Strike.

Madisonville, Ky., Sept. 9.—The
Daniel Boone Coal Mines, located
between Nortonville and St. Charles,
on the Illinois Central railroad, in
this county, are closed down as the
result of a strike among the coal
miners, resulting from a reduction
of wages made by the owners and
managers of the property. The
men claim that it figured out an av-
erage reduction of about 35 per cent.
There are enough still working to
take care of the property.

New Modern Cottage.

Jas. L. Long has prepared plans
for a frame cottage for Mr. J. T.
Stephens for his lot on West Sev-
enth street near West Side school.
It will have 6 rooms, Cartright tin
shingle roof, brick foundation, in-
terior of oak and pine, parlor in
enameled white, bath room, gerille
arches, electricity, cabinet mantels,
tile hearth and facings. It will cost
\$2,500.

Clarksville Hotel Burned.

Clarksville, Tenn., Sept. 8.—The
Northington, instead of the Arling-
ton, Hotel was destroyed by fire
Thursday about midnight. The
hotel, which was a brick and frame
structure, was a total loss. The
origin of the blaze is supposed to
have been incendiary, the house
having been vacant for several
months.

Painful Periods

Life often seems too long to the woman who suf-
fers from painful periods. The eternal bearing-
down, headache, backache, leucorrhea, nervousness,
dizziness, griping, cramps and similar tortures are
dreadful. To make life worth living, take

Wine of Cardui

It Eases Women's Pains

It quickly relieves inflammation, purifies and enriches the blood,
strengthens the constitution and permanently cures all diseased con-
ditions from which weak women suffer.
It is matchless, marvelous, reliable.

"I SUFFERED GREATLY."

writes Mrs. L. E. Clevenger, of Belle-
view, N. C., "at my monthly periods,
all my life, but the first bottle of Car-
dui gave me wonderful relief, and now
I am in better health than I have been
for a long time. I think Cardui the great-
est woman's medicine in the world."

A NICE TRIP.

Excursion to Mammoth Cave Tuesday, Sept. 19.

There will be an excursion over
the L. & N. to Mammoth Cave from
Carroll, Henry, Houston, Stewart,
Montgomery, Robertson, Christian
counties and O. & N. Ry., Sept. 19.
Through coaches will be run on
evening train and very low rates
made by the railroad company. Half
fare through the cave will also be
given, and reduced rates at the
hotel. \$7.40 will pay the railroad
fare for the round trip; also board
and rooms at the cave hotel from
arrival for lodging until after supper
the following day; also including
the long-route trip in the cave,
lights and guide fees constituting a
25-mile walk under ground. Hop-
ville people will leave at 5:18 p. m.
To oblige those wanting a more ex-
tended outing all tickets are limited
to eight days. The short route in
the cave will be half fare (\$1.00) or
side trips 50 cents. The rates at the
cave hotel are reduced to 50 cents
each for meals or lodging for over-
time, or a week's board to those
holding excursion tickets for \$8.00,
payable at hotel. Cave suits can be
rented at hotel for 25 cents per trip.
The outing is being gotten up by
Mr. Wm. Bryan, excursion agent, of
Russellville. A large party from
this section will likely take advan-
tage of this low-rate trip to Mam-
moth Cave.

Strikes Hidden Rocks.

When your ship of health strikes
the hidden rocks of Consumption,
Pneumonia, etc., you are lost, if you
don't get help from Dr. King's New
Discovery for Consumption, J. W.
McKinnon, of Talladega, Spaulding,
Ala., writes: "I had been very ill of
Pneumonia, under the care of two
doctors, but was getting no better
when I began to take Dr. King's
New Discovery. The first dose gave
relief, and one bottle cured me."
Sure cure for sore throat, bronchitis,
coughs and colds. Guaranteed at
R. C. Hardwick's drug store, price
50c and \$1.00. Trial bottle free.

Surprised Friends.

It was a very great surprise to the
many friends of Miss Hallie Hanner,
of this place, when it became known
of her marriage last week to Mr. P.
E. Lucker, of Greenville. They were
married at Hopkinsville and endeav-
ored to keep it a secret for awhile,
but it leaked out in a few days.—
Madisonville Hustler.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey
Grove, Texas, nearly met his Water-
loo, from Liver and Kidney trouble.
In a recent letter, he says: "I was
nearly dead, of these complaints, and,
although I tried my family doctor,
he did me no good; so I got a 50c
bottle of your great Electric Bitters,
which cured me. In consider them
the best medicine on earth, and thank
God who gave you the knowledge to
make them." "Sold and guaranteed
to cure, Dyspepsia, Biliousness and
Kidney Disease, by R. C. Hardwick
druggist, at 50c a bottle."

A Poor Shot.

Tandy Cowherd and W. A. Quarles,
two negroes, got into a quarrel at
Mt. Herman church last Sunday
night. The particulars could not be
learned further than that Cowherd
fired five shots at Quarles without
hitting him. Quarles came in yester-
day and swore out a warrant against
Cowherd.
